TREASURE

The image shows a blank, multi-page character sheet for a tabletop RPG. The sheet is organized into three main vertical columns, each representing a different spell level (0, 3, 6, 1, 4, 7, 2, 5, 8, 9). Each column has a header with a level number and a title. The first column is for Cantrips, the second for Level 3 spells, and the third for Level 6 spells. Below each header is a list of slots, with the first slot being 'Prepared' and the others being empty circles for notes. Each slot is accompanied by a large, empty rectangular box for writing the spell name.
